

Love is like bright flowers
Love is a relationship surrounded by towers
Love is like your favourite song
Love is like a drag from a bong
Love is a bird that you can fetch
Love is a won football match
Love is a breakfast brought to your bed
Love is like a lost friend who again you have met
Love is the sunshine waking you up
Love is wonderful BUT

Love is like bright flowers
Which also can fade
Love is like protective towers
Which also can embrace
Love is like a favourite song
Which you can be tired of after a while
Love is like a drag from a bong
Which also can make you crazy
Love is like a bird that you can fetch
But which also can fly away
Love is like a won football match
Which only lasts 90 minutes
Love is like a breakfast brought to your bed
Which is great until you stomached it
Love is like a friend who again you have met
You talk to her and lose again
Love is like the sunshine waking you up
Which also goes down
Love is a relationship which can also get cut

Love comes

Love goes

Love is

Love was

Eternity

Love for you and me
Forever together
That's what I want to give for thee
Love everything of each other
Saving you from the cold world
Sitting with you on a white cloud
Like birds which are free
We try to fly
Only you and me
In the bright blue sky
That's what love is

I wrote your name on a paper,
But the wind blew it away.

I sprayed your name on the wall,
But the rain washed it away.

I hold your name in my heart,
And forever it will stay.
